Project Name	Project – Inventory Management for Retailers

1.People of inventory

This section is for adding or removing suppliers, store owners, and customers. The list of existing members of each category is also available.

2. User Management

The screenshot displays the 'User Management' section of a web application. The left sidebar contains a navigation menu with options: Dashboard, Product, Sales, Purchase, Quotation, Transfer, People, Users (selected), and Settings. The 'Users' menu is expanded, showing 'New User' (selected) and 'Users List'. The main content area is titled 'User Management' and 'Add/Update User'. It features a form with the following fields: 'User Name' (text input), 'Mobile' (text input), 'Email' (text input), 'Role' (dropdown menu with 'Select' as the current value), 'Password' (text input with a toggle for visibility), and 'Confirm Password' (text input with a toggle for visibility). To the right of the form is a 'Profile Picture' section with a placeholder image and the text 'Drag and drop a file to upload'. At the bottom of the form are two buttons: 'Submit' (orange) and 'Cancel' (grey). The browser's address bar shows the file path 'C:/Users/deepi/Desktop/Demofile/newuser.html'. The Windows taskbar at the bottom indicates a temperature of 29°C, 'Mostly cloudy' weather, and the time 15:44 on 20-11-2022.

3. Payment Settings

Employees can update new payment modes in settings.

The screenshot shows the 'Payment Settings' section of the web application. The left sidebar is similar to the previous one, but 'Payment Settings' is selected under the 'Settings' menu. The main content area is titled 'Payment Settings' and 'Manage Payment Settings'. It includes a search bar, a table with columns for 'Payment Name', 'Status', and 'Action', and a 'Show per page' dropdown set to 10. An 'Add Payment Settings' button is in the top right. An 'Add payment type' modal is open in the center, containing a 'Payment Name' text input, a 'Status' dropdown menu with 'Choose Status' as the selected option, and 'Confirm' (orange) and 'Cancel' (grey) buttons. The browser's address bar shows the file path 'C:/Users/deepi/Desktop/Demofile/paymentsettings.html'. The Windows taskbar at the bottom shows the same weather and time information as the previous screenshot.

4. Currency Settings

This system also accept international currency by feeding that currency details to the system.

The screenshot displays a web application interface for managing currency settings. The browser's address bar shows the file path `C:/Users/deepi/Desktop/Demofile/currencysettings.html`. The application features a sidebar menu on the left with options: Dashboard, Product, Sales, Purchase, Quotation, Transfer, People (selected), Customer List, Add Customer, Supplier List, User List, Store List, Users, and Settings. The main content area is titled "Currency Settings" with the subtitle "Manage Currency Settings". It includes a search bar, a table of currency entries, and pagination controls. The table lists two currencies: India - Indian rupee (INR) and US dollar (USD), both with active status. The bottom of the screen shows a Windows taskbar with the date 20-11-2022 and time 15:45.

<input type="checkbox"/>	Currency name	Currency code	Currency symbol	Status	Action
<input type="checkbox"/>	India - Indian rupee	INR	₹	<input checked="" type="checkbox"/>	Edit Delete
<input type="checkbox"/>	US dollar	USD	\$	<input checked="" type="checkbox"/>	Edit Delete
